

IJPB Symposium

Chemical interactions between plants and their environment: from the molecule to the field

INRAE, Versailles, 23-25 September 2026

Invited speakers:

Marnix Medema

Wageningen University
Netherlands

John Charles D'Auria

Leibniz Institute of Plant
Germany

Clara Sanchez Rodriguez

Centro de Biotecnología y
Genómica de Plantas
Spain

Ruairidh Sawers

Penn State University
USA

Sofie Goormachtig

VIB Gent
Belgium

Programme, Registration, Information
Opportunity to apply for an Early-career Talk
